

To Specs Lane (Long 2 miles) Faster group

Off the drive near the Obelisk

Into the field and right around the back of the houses

Follow the fences on the right, straight on through two gaps in hedges

Follow left bend and down hill to the blue gate at Boughton triangle

Left at the triangle (take care on the road) all keep to the left side, single file

Go left for 30yards and cross over road

Turn right down track & through gates

Straight across field and down to stream

Over bridge and right along field edge to Specs lane

To Specs Lane (Short 1.75 miles) Slower group

Left off the drive through the spinney to Boughton

Right on Howard Lane, Right Humphrey Lane, Right Moulton lane

Keep on path on left side of road, keep in single file when path runs out

Left down track & through gates

Straight across field and down to stream

Over bridge and right along field edge to Specs lane

Return

Each group to come back the way you went out

Keep to single file where there is no path

Stay aware of traffic on Boughton triangle and Moulton Lane
